

Job Sheet 8-4

Name _____ Date _____

Inspect a Tire

Upon completion of this job sheet, you should be able to inspect a tire.

Tools and Materials

Safety glasses

Vehicle

Describe the vehicle being worked on:

Year _____ Make _____ Model _____

PROCEDURE

For each step, the student will check off a "task completed" box.

Completed

Visually inspect the tire for wear.

Using a tread depth gauge, measure the tire wear on both sides and the middle of the tire tread.

Record the measurements

Tread Measurements

	Outside edge	Middle	Inside edge	
LF	_____	_____	_____	_____
RF	_____	_____	_____	_____
LR	_____	_____	_____	_____
RR	_____	_____	_____	_____

Check the tire pressure and correct if necessary.

If the wear is abnormal, list the possible causes.

Instructor's Response:
